To Whom It May Concern:

It is with pleasure that I take this opportunity to recommend Amy Steenmeyer to your organization.

As the administrative coordinator for the Production Department within Quadrant Homes, I've had the satisfaction to work closely with Amy on a daily basis for six months. Not only does Amy's professional demeanor make her a delight to work with, Amy is readily available to lend a hand on projects and/or make helpful suggestions when necessary. I find Amy to be very competent in any task assigned. And she is very diligent in her work product, seeing things through to the end.

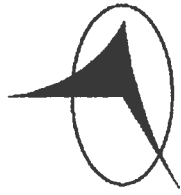

I would be pleased to discuss the many other attributes that Amy Steenmeyer would be to your organization. Do not hesitate to call me at 425-830-7511 so that I may answer any of your questions or provide additional information regarding Ms. Steenmeyer's application to join your firm.

Kind regards,

Kathryn Charpentier
